

OFFICIAL INVITATION

SOUTH AMERICAN KYOKUSHIN KWF CHAMPIONSHIP 2026

7 NOVEMBER 2026 - BRAZIL

Dear Shihans, Senseis, Sempais, officials, organizations, federations, associations, academies and Kyokushin dojos.

On behalf of **KWF - Kyokushin World Federation Brazil**, it is with great honor and pleasure that we extend this official invitation to participate in the **SOUTH AMERICAN KYOKUSHIN KWF CHAMPIONSHIP 2026**, to be held on **7 November 2026** in **Conselheiro Lafaiete, Minas Gerais, Brazil**.

Under the responsibility of Shihan Antonio Pereira, assisted by the KWF representative in Minas Gerais, Sensei Jordao Mercês, this championship is intended to be an important occasion for the Kyokushin family in South America to come together in competition, friendship and fellowship.

More than a competition, the South American Kyokushin KWF Championship 2026 aims to bring together athletes, coaches, referees, officials and practitioners from different countries and regions, providing an environment of high-level competition as well as friendship, respect, exchange and shared experience.

Kyokushin has built its identity upon values that transcend borders, nationalities and organizational differences. We are heirs to the legacy passed down by Sosai Masutatsu Oyama, founded on discipline, humility, perseverance, courage, respect and a constant spirit of self-improvement.

It is precisely this spirit that we wish to bring to life at this South American Championship.

We want to provide athletes with the opportunity to demonstrate the quality of their work, their technical preparation and, above all, the true Kyokushin spirit, in an environment where competition is also a means of growth, learning and strengthening the bonds among all participants.

It will be a great honor to welcome the participating delegations and to have with us athletes, coaches, referees, officials, Shihans, Senseis and representatives of the different Kyokushin organizations and schools.

The participation of each delegation will make an important contribution to the success and prestige of this championship and, at the same time, to the growth and consolidation of Kyokushin throughout the South American continent.

We hope that the SOUTH AMERICAN KYOKUSHIN KWF CHAMPIONSHIP 2026 will be much more than the pursuit of titles and sporting results. We want it to be a true celebration of Kyokushin, friendship among peoples and the spirit that unites us both inside and outside the dojo:

OSU NO SEISHIN.

We count on your participation to make 7 November 2026 a memorable date for Kyokushin in South America.

The official regulations, competition schedule, categories, registration details, recommended accommodation and other logistical information will be announced shortly.

Please accept our warmest regards and our sincere invitation to join us for this great international gathering of the Kyokushin family.

OSSU!

Shihan Antonio Pereira
